@ 3:22 pm on 4-19-2017:**

**Call Length: 0:56**

**Summary:** Distance calls the Morton County Clerk of Court *again*, & is this time informed that she needs to talk to "Court Admin" there.

**TRANSCRIPT:**

**Morton County Clerk of Court:** Clerk of Court.

**Distance:** Hello. I'm calling because I was just informed today that I allegedly have a court appearance tomorrow

**Morton County Clerk of Court:** Okay

**Distance:** and I had another friend also has a case tomorrow, & neither he nor I appear to have been contacted by your office informing us that we have a court appearance tomorrow...

**Morton County Clerk of Court:** I already talked to you, & we don't send those out.

**Distance:** Okay – that was *you* I was just on the phone with. *So* you gave me the number for Burleigh County, who I just called, & they said that they don't handle that – that would be Morton County.

**Morton County Clerk of Court:** Right. You need to talk to court *Admin* in Burleigh County. So you have to press *I think* "0".

**Distance:** Okay thank you.

**Morton County Clerk of Court:** Yep. You're welcome.
