Video shows line of vehicles driving northbound on Highway 6. Several North Dakota & local government officials are blocking the right-of-way, which causes civilians to pull over to the side of the road.

John Wathen narrates while filming: Alright. We're rolling up on the site, & it looks like the police have got the road barricaded. They're not going to let us in. I'm not exactly sure what's going to happen here, but here we go. They got the tank out in the road. I don't know if anybody can see this."
